Trainer and Supervisor at the Institute for Family and Systemic Psychotherapy, Ljubljana / Slovenian Association for Family Therapy
PhD
Current Positions
Consultant Psychiatrist at the University Psychiatric Clinic Ljubljana, Slovenia
Associate Professor at the Faculty of Medicine, University of Ljubljana, Slovenia
Head of Postgraduate Training in Systemic Family Therapy at the Faculty of Medicine, University of Ljubljana
Other Professional Roles
Forensic Psychiatric Expert in Family Court Cases
Member of the National Medical Ethics Committee of the Republic of Slovenia
My Professional Interests in Systemic Family Therapy
I am particularly interested in integrating systemic family therapy into the clinical treatment of mental disorders, exploring approaches suited to different types of disorders, and developing systemic approaches to training and learning.
Broader Contexts
I see it as particularly important to explore how systemic discourse can help us move beyond destructive relationships and patterns in society and how can families be protected in such environments
Personal Interests
I love spending time with my grandchildren, dogs and cats, and I enjoy hiking.
