8th EFTA-TIC Trainers' Meeting – Renewed invitation

The Board of EFTA-TIC are pleased to announce the next EFTA-TIC Trainers' Meeting which will take place in Iasi, Romania in September. Our venue is *Body R of the University Alexandru Ioan Cuza* at Mihai Eminescu Square.

This will be the 8th in this unique series of popular gatherings that bring together experienced trainers in systemic psychotherapy and practice from all corners of Europe and beyond.

The conference is organised by the EFTA-TIC Board together with the local hosting institute - the *Institutul pentru Cuplu si Familie*. We are very grateful for their kind offer to welcome us to their city.

The theme for this year's meeting is:

*Reconciliation of family and professional life in training:
experiences and directions.*

The meeting provides a platform for learning and exchange between systemic teachers, practitioners and researchers using concurrent small, interactional workshops. There are short plenaries where brief workshop reports are given. The event is designed to maximise networking and interaction.

Submitting abstracts – Extended deadline July 11th, 2014

Institutes and individual trainers are invited to offer a presentation or workshop by submitting an abstract relevant to the conference theme. There is more information on abstract submission and registration fees in the attached documents.

We look forward to seeing you in Iasi,
The EFTA-TIC Board
